

# SUMMITCABLES WIRING GUIDE

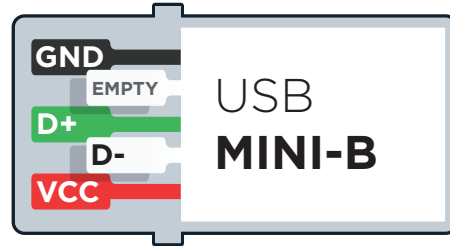

## CONNECTORS

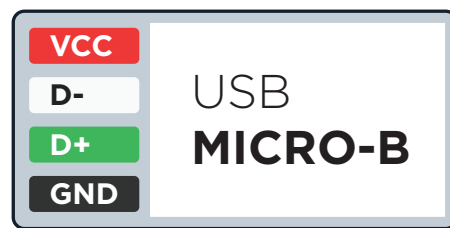

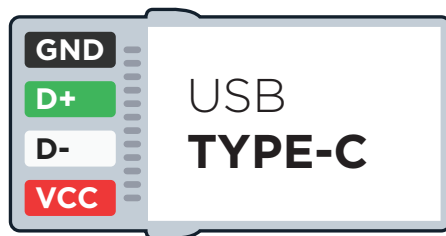

WIRES

CONNECTOR

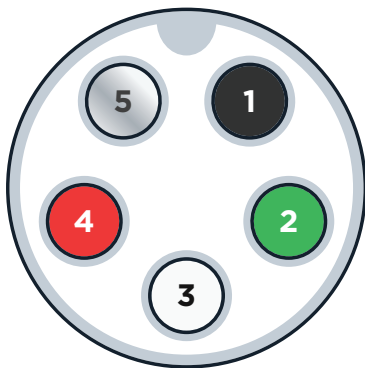

WIRES

CONNECTOR

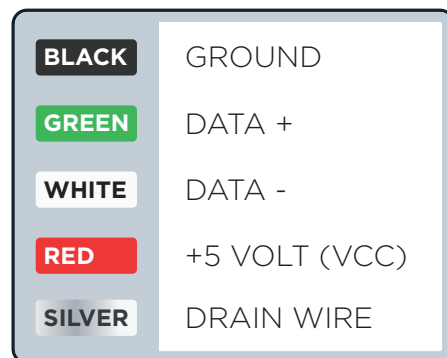

## DETACHABLE

**Note:** The wires are mirrored on each side of the detachable. Follow the numbers on the detachable ends for assembly. e.g. 1 = black, 2 = green, etc.

## WIRE TYPES

If you're having trouble assembling your cable or have further questions feel free to send us an email at [support@summitcables.com](mailto:support@summitcables.com) or join the Discord server and check **#diy-questions!**

**Disclaimer:** We are not responsible for any damages that might occur during the building process or due to wrong assembly.

**WARNING: CHOKING HAZARD — Small parts. Not for children under 10 yrs.**
